Accomplishments in 2014

- The club is happy to announce the Village of Elmwood has opened routes within their village, and Pierce County has opened routes on Cty P to allow access to Village of Elmwood and Dunn County routes. A landowner opened a portion of their land as a connector between two town roads in the Town of Hartland, and the Town of Isabelle. Town of Hartland opened roads to ATV/UTVing and signing was done by club members.
- Larry and Sharolyn Johnson attended the annual WATVA meeting in Rothchild.
- We had two fundraisers this year: Moose Lodge Breakfast in River Falls, and members worked at the Tractor Pull at the Pierce County Fair. Thank you to all who participated in these events.
- Club ATV Ride was organized by Jerry Panches to Iron River and Don Fuller organized a ride to Spider Lake.
- Printed and distributed new updated ATV/UTV maps and Don Fuller made all the donation boxes to hold them.

Plans for 2015

- Send representative to WATVA Annual Meeting April 10, 11 and 12th, 2015.
- Working on opening parts of Cty S, Cty HH, Cty K and Cty VV to ATV/UTV travel.
- Work on gaining routes and/or trails in more municipalities.
- Work on getting routes and/or trails connected to Pepin County.

The Pierce County ATV Association encourages your support not only financially but with your help in an attempt to expand the ATV experience within our beautiful county. The club is continually looking for more business sponsors, other ways of fundraising, and meeting with municipalities regarding expansion routes. This all takes time and money as we continue this endeavor.

A big thank you to all members, business sponsors, and donors for helping us through 2014!!
