## Accomplishments in 2015

- Pierce County has opened routes on Cty S and HH to allow access to Exile and then into Dunn County, and a route to Eau Galle. Pierce County opened part of Cty Tk VV to provide access to The Bluffs and 63 Express gas station.
- We had one fundraiser this year: The Moose Lodge Breakfast in River Falls.
- Printed and distributed new updated ATV/UTV maps.

## Plans for 2016

- Send representative to WATVA State Convention at Wausau and to Northwest Regional WATVA meeting.
- Need to connect remaining portion of the Town of Trenton to the rest of the Pierce County ATV/UTV routes.
- Connect Village of Plum City to surrounding county ATV/UTV routes.
- Obtain county ATV/UTV routes that connect to Pepin County.

The Pierce County ATV Association encourages your support not only financially but with your help in an attempt to expand the ATV experience within our beautiful county. The club is continually looking for more business sponsors, other ways of fundraising, and meeting with municipalities regarding expansion routes. This all takes time and money as we continue this endeavor.

**A big thank you to all members, business sponsors, and donors for helping us through 2015!!**
