Plans for 2019

- Send representative to WATVA State Convention at Stevens Point and to the Northwest Regional WATVA meeting to be announced.
- Request ATV routes from Pierce County to connect to Pepin County, Plum City and Bay City.

The Pierce County ATV Association encourages your support not only financially, but with your help in an attempt to expand the ATV experience within our beautiful county. The club is continually looking for more business sponsors, other ways of fundraising, and meeting with municipalities regarding expansion routes. This all takes time and money as we continue this endeavor.

Please support our business sponsors and thank them for supporting the Pierce County ATV Association.

A big thank you to all members, business sponsors, and donors for helping us through 2018!!
