**Old Business:**

Members were reminded of the Moose Lodge fundraising breakfast that will be held Sunday, April 7 from 9 a.m. – 1 p.m. at the Moose Lodge in River Falls, WI.

Discussion was held on connecting Pepin County and Pierce County ATV/UTV road routes. Pepin County ATV/UTV Association is seeking Pierce County ATV Associations help in getting 3/4s of a mile road that borders both the Town of Frankfort in Pepin County and the Town of Maiden Rock in Pierce County. This will connect Pierce and Pepin County ATV/UTV road routes. People were encouraged to attend the upcoming township meetings regarding this topic.

Jack O'Neil reported that he has been working with someone that is trying to purchase additional land in the Bay City area. If the sale goes through he will let the ATV Club use this property for a future new off road trail to connect to the businesses north of Highway 35.

**New Business:**

New members inquired about future routes that the club is pursuing as well as the process to get new routes approved. Sheldon Huppert discussed routes they are trying to get approved this year to connect to The Bluffs as well as 2 trails to get in to the center of Trenton Township. Sheldon Huppert and Larry Johnson reviewed the process of how additional roads in Pierce County get approved to be ATV routes. Mark Kinneman brought registrations for 48 new individuals as well as one business registration. These new members would like to open up Town of Diamond Bluff roads as ATV routes. They would like someone from the ATV Club to attend the township meeting when this is discussed to answer questions.

Larry Johnson passed out a copy of the ATV route signing plan for Town of Union.
